It is with great pleasure that we present Lockyer Valley Regional Council’s Corporate Plan, 2017 to 2022.

The Corporate Plan sets out Council’s vision for our region and organisation for the next five years. Council’s vision is to deliver services that will enhance the liveability of our community in a way that is sustainable in the long term, and to embrace and celebrate the benefits of our economic, cultural and natural diversity.

To achieve the vision and respond to our community’s aspirations as articulated in Council’s Community Plan, Lockyer – Our Valley, Our Vision, Council will develop and implement a range of activities, projects and tasks that will engage the community as a whole.

Council will advocate on behalf of the community for access to services and facilities and will provide and maintain spaces that are appropriate for the needs of individuals, groups and the community as a whole. We will develop strategies that will promote economic development and tourism and protect our farming future. The Lockyer Valley is a destination for commerce, tourism and lifestyle, and we will promote it as just that.

Council will also foster a flexible, supportive and inclusive business environment; where doing business is easy; where opportunities are created and encouraged and where business confidence is high. Council will lead the way in focusing on our customers and putting them first.

We will manage our natural assets with the respect they deserve to cement our farming future. The Lockyer Valley’s reputation of being clean and green is of the utmost importance, not only for our current farmers, but future generations too. The development of environmental and pest management plans and policies is an example of a commitment Council will make to ensure this occurs.

Growth and development within the region will continue to be a priority. We will plan, design and deliver essential infrastructure for roads, drainage, walkways and cycle paths for connectivity across the Lockyer Valley. Council will responsibly manage growth by collaborating regionally on growth management, including land use, transport and infrastructure planning, financing and delivery.

The Lockyer Valley provides an enviable lifestyle for families with quality educational facilities, value for money housing, great location and beautiful natural surroundings. We will promote our region as a great destination for young families.

Underpinning everything that we do to deliver Council’s vision for our community are our Corporate Values. Our values promote shared understanding and provide guidance and consistency in our decision making. Council is committed to:

- Leadership through excellence and partnering with our community
- Accountability by taking responsibility for our actions and being results focused
- Integrity by being respectful, open, transparent and honest in our dealings with the community
- Communicating openly and honestly
- Focusing on our customers by identifying and meeting their needs
- Teamwork and collaboration by working together and looking for ways to collaborate and connect

We commend this Corporate Plan to the community and Council as our guide for the next five years, and look forward to working in partnership with the community to deliver the vision.

ABOUT THE CORPORATE PLAN

The Corporate Plan (the Plan) is Council’s key strategic plan providing direction for Council in delivering a sustainable future for the region from 2017 to 2022. The corporate outcomes contained in this Plan serve to inform and guide Council’s decision making process when delivering its diverse range of services to the community. The Plan helps us to monitor performance and stay on track and meet the legislative requirements of the *Local Government Act 2009*. The Plan outcomes will be delivered through our annual operational plan, services and programs resourced by capital and operational budgets.

The Corporate Plan aims to achieve the vision and outcomes for the region and is informed by the Community Plan, Long Term Financial Plan, Long Term Asset Management Plan and a range of key strategic plans both internal and external to Council.
MONITORING OUR PROGRESS

ANNUAL OPERATIONAL PLAN AND BUDGET

Each financial year Council adopts an Operational Plan with its Budget which captures key projects and priorities to be actioned that year based on the Corporate Plan. The annual Operational Plan for Council must be consistent with its annual Budget, however Council at any time before the end of the financial year may amend its Operational Plan and/or Budget.

QUARTERLY PERFORMANCE REPORT

Every quarter, a performance report is prepared and presented to Council by the Chief Executive Officer. This report outlines performance against the outcomes of the Corporate Plan and activities of the Annual Operational Plan.

ANNUAL REPORT

At the end of the financial year, Council produces an Annual Report that reviews the performance achieved. The Annual Report provides the community with operational and financial information about Council’s performance against the outcomes and service delivery commitments set out in the Corporate and Operational Plans.

The diagram below represents the strategic planning framework used by Council:

- Community Plan
- Lockyer Valley Community’s Long Term Vision
- Corporate Plan
- Identify Council Outcomes and Priorities for the Next Five Years
- Operational Plan
- Determine and Implement Projects and Initiatives (Incorporated in to Business Unit Plans)
- Quarterly Report
- Annual Report
- Monitor and Report on Performance
BUILDING OUR CORPORATE PLAN

In determining the outcomes Council will seek to achieve over the next five years, the organisation considered the following questions:

- What initiatives, activities and services can we build on?
- What are our stakeholders asking for?
- What do we care about?
- How do we know we are succeeding?

The Corporate Plan was prepared through a series of workshops with Councillors and staff utilising the seven (7) themes of the Community Plan as the Corporate Plan framework with the inclusion of an eighth theme, Lockyer Council. The Community Plan, “Lockyer – Our Valley, Our Vision” details the community’s vision for the region until 2027.

Below are the eight themes, some of which have been combined in the Corporate Plan where similar outcomes exist:

- Lockyer Community
- Lockyer Business, Farming and Livelihood
- Lockyer Nature
- Lockyer Planned
- Lockyer Leadership and Council

The Draft Corporate Plan was open for public inspection from 15 March 2017 to 05 April 2017. This gave the community an opportunity to review the Draft Plan and provide comments to Council for consideration. A review of the responses received from the community was undertaken and changes were made to the plan where appropriate.

The Plan was adopted at the Ordinary Meeting of Council on 24 May 2017.

FEDERAL, STATE AND LOCAL GOVERNMENT RESPONSIBILITIES

The priorities raised by the community present challenges which cannot be addressed by Council alone. Many of these priorities are the responsibility of other organisations such as Federal Government, State Government and community organisations. In Lockyer: Our Valley, Our Vision Community Plan 2017-2027 these organisations are identified for the Lockyer Valley region.

Where Council is not responsible for the provision of a particular service we can advocate to the relevant agency to secure support, funding and agreements for the benefit of the Lockyer Valley community.
OUR ROLE

As we work towards our outcomes, we recognise that not all of them can be achieved by Council alone. Council will fulfil a range of roles in working to achieve the outcomes outlined in this plan.
