Lockyer Valley Parks and Reserves

With over 50 parks and reserves across the Lockyer Valley region, there are many treasures just waiting to be discovered

Pack a picnic, grab your friends and family and go and explore our very own natural playground. Parks are a place of adventure and discovery, peace and tranquillity, recreation and play.

Free stimulating fitness equipment

Council provides stimulating fitness circuits at the Laidley Recreation Reserve and Lake Apex Park. These facilities are free and are a great way to improve your fitness.

The equipment varies between the two parks and can include shoulder press, push-up and sit-up boards and butterfly
