

Terms and Conditions

Burial Right Holders and Applicants must comply with all rules and regulations which may apply to the operation of the cemetery. Council may vary its rules and regulations at any time and in any manner it deems appropriate.

Burial Rights - The burial right to a new niche may be purchased by an individual who is then entitled to be interred in the niche and authorise the interment of others in the niche (up to the number permitted in that niche as determined by Council from time to time). The person who signs the Application for Columbarium Wall Niche & Plaque becomes the Burial Right Holder. Only one person may be the Burial Right Holder to a niche. The right may not be sold and is not transmissible by death.

On the death of the Burial Right Holder the authority to authorise interments in a niche reverts to Council. Council will permit, in its absolute discretion, a spouse, child, partner, relative, direct descendant or a friend of the Burial Right Holder to be interred in the niche provided that it has no reason to believe that the Burial Right Holder would have objected.

Burial rights to unused niches may be returned to Council and, where proof of purchase is provided, 80% of the original purchase price will be refunded.

Council may permit, in its absolute discretion, the transfer of a Burial Right from one person to another. Burial rights to a niche may only be transferred on one occasion.

Interment and Standard Supply of Equipment - I agree and accept that Lockyer Valley Regional Council will not be held responsible or liable for any dispute arising from any interment carried out under this application. I hereby indemnify and hold harmless the Lockyer Valley Regional Council, its servants, and agents, from any claims, actions, suits or demands arising from any interments carried out under this application.

I accept that for interment services, Council can supply up to five chairs on request. Any further equipment required for the service will need to be obtained from another source.

Plaques & Vases - Council will, upon payment of the applicable fee, arrange the initial plaque for the first interment consisting of either a full plaque design or base plaque with detachable plates. Any subsequent plaques or additional detachable plate/s must be arranged by the applicant at their own cost. The Application Fee includes a standard cast bronze plaque design of brown background and standard lines (eg. up to 7 lines on a full plaque or up to 5 lines on a detachable plate) and any additional lines will later be charged to the applicant upon a quote from Council's supplier. Other items, such as photos, motifs and military emblems will also incur additional costs which will also be charged to the applicant upon a quote from Council's supplier. Neither Council nor the supplier takes any responsibility for the image quality provided and reproduction onto the ceramic photo. A complimentary proof of plaque design will be provided to the applicant for approval prior to the plaque being ordered. Changes to the proof may incur a fee from the supplier which will be charged to the applicant.

Council will take all reasonable care during the course of maintenance activities in our cemeteries. Council accepts no responsibility for any deterioration in plaques due to the natural elements or the passage of time. The plaque will always remain the responsibility of the Burial Right Holder or their representative.

Flower vases may be purchased privately and can be installed by Council on request. Please advise if this is required when lodging this application.
