

Lockyer Valley Regional Council

2017 Levels of Service Consultation

Preliminary Results

Council appreciates the submissions of all those who participated in this consultation.

This consultation was open from July to November 2016 commencing at the Laidley and Gatton Shows. It was promoted several times in the Gatton Star and supported by various Facebook posts.

The results of this consultation have been reported to Council for further consideration prior to the formation of the 2017-18 Budget.

Further consultations on the 2017-18 Budget and levels of service may occur in the first half of 2017 to better understand the specific areas within the broad categories above in which the community would generally support change.

Community members are encouraged to regularly review the various community consultations open for submissions which are available at <http://www.lockyervalley.qld.gov.au/our-services/community/Pages/Community-Engagement.aspx>.

For more information on Council's consultation contact the Community Engagement Team on 1300 005 872 or CETeam@lvrc.qld.gov.au.
