 PO BOX 15216
 CITY EAST QLD 4002

I, _____, hereby authorise the Lockyer Valley Regional Council to access information from the State Department of Mines and Energy in relation to the Mining Lease on the above-mentioned property.

This information is to relate specifically to the quantity of material extracted from the leased area of land and for the sole purpose of determining categorisation for the Differential General Rate as levied by Lockyer Valley Regional Council.

If no response is received, you will be placed into the highest category.
