

# Pty Ltd

8/2/2017

To whom it may concern,

I am writing to certify that the work completed/work to be completed at \_\_\_\_\_ complies with condition 9 of the original approval.

9A)

Any electricity supply connection to an existing building or a private property pole (Energex Approval attached) is wholly contained in the lot it serves.

9B)

N/A – No electricity connections or infrastructure have been made redundant as a result of this development.

Regards,
