

To whom it may concern,

I am writing to certify that the work completed/work to be completed at complies with condition 10 of the original approval.

10A)

Any water supply or wastewater connection to an existing building, including effluent disposal area is wholly contained in the lot it serves.

10B)

N/A – No water supply or wastewater infrastructure have been made redundant as a result of this development.

Regards,

Plumbing Licence –
