

EXTRACTIVE / MINERAL RESOURCES  
AND TRANSPORTATION ROUTES

Gatton Shire Planning Scheme 2007  
OVERLAY MAP 5

FEATURES

- Mining Lease
- Helidon Key Resource Area
- Helidon Magazine Safety Zone
- Designated Haul Route
- Separation Route
- Property Boundaries
- Shire Boundary

NOTE- Helidon KRA - encompasses sandstone building stone resources; extractive materials; and explosives manufacturing, storage and associated buffer areas.  
Mt Cross KRA - provides protection for quarry rock resources that may be utilised in the future.  
Harlaxton KRA - Toowoomba City based KRA for quarry rock extending into Gatton Shire.  
The separation area extends 100m either side of the reserve boundary of the transport route.  
Transport routes define the connection to the state controlled road system.  
The area of Harlaxton KRA extending to the Shire boundary is only to be indicated, so the Shire boundary is evident
