## Terms and Conditions

Burial Right Holders and Applicants must comply with all rules and regulations which may apply to the operation of the cemetery. Council may vary its rules and regulations at any time and in any manner it deems appropriate.

**Burial Rights** - The burial right to a new niche may be purchased by an individual who is then entitled to be interred in the niche and authorise the interment of others in the niche (up to the number permitted in that niche as determined by Council from time to time). The person who signs the Application for Columbarium Wall Niche & Plaque becomes the Burial Right Holder. Only one person may be the Burial Right Holder to a niche. The right may not be sold and is not transmissible by death.

On the death of the Burial Right Holder the authority to authorise interments in a niche reverts to Council. Council will permit, in its absolute discretion, a spouse, child, partner, relative, direct descendant or a friend of the Burial Right Holder to be interred in the niche provided that it has no reason to believe that the Burial Right Holder would have objected. A completed Interment Consent Declaration Form needs to be provided to enable this to occur.

Burial rights to unused niches may be returned to Council and, where proof of purchase is provided, 80% of the original purchase price will be refunded. If proof of purchase is not able to be provided by the Burial Right Holder, Council will provide a refund of \$200.00.

Council may permit, in its absolute discretion, the transfer of a burial right from one person to another. Burial rights to a niche may only be transferred on one occasion.

**Interment and Standard Supply of Equipment** - I agree and accept that Lockyer Valley Regional Council will not be held responsible or liable for any dispute arising from any interment carried out under this application. I hereby indemnify and hold harmless the Lockyer Valley Regional Council, its servants, and agents, from any claims, actions, suits or demands arising from any interments carried out under this application.

I accept that for interment services, Council can supply up to 12 chairs on request. Any further equipment required for the service will need to be obtained from another source.

**Plaques** - Only plaques approved by Council's application process are to be installed. Please contact Council for examples of plaque size requirements. Plaques or additional detachable plate/s must be arranged by the applicant at their own cost. The plaque must be a standard cast bronze plaque design of brown background and standard lines. Other items, such as photos, motifs and military emblems are allowed with approval.

Council will take all reasonable care during the course of maintenance activities in our cemeteries. Council accepts no responsibility for any deterioration in plaques due to the natural elements or the passage of time. The plaque will always remain the responsibility of the Burial Right Holder or if the Burial Right Holder is deceased, the family and descendants of the interred person/s.

Flower vases may be purchased privately and can be installed by Council on request. Please advise if this is required when lodging this application.
