**Prohibited** - Liquid Waste, drumMuster Containers, Chemicals, Poisons, Unwashed Chemical Containers, Dead Animals, Hot Ash, Asbestos, Construction and Demolition Waste, Commercial and Industrial, Tyres.

Sort your waste and save!

## ILLEGAL DUMPING

STOP  
ILLEGAL  
DUMPING

Illegal dumping is the unlawful deposit of waste which costs Queenslanders millions of dollars a year in clean up costs, degrades the local environment and reduces property values.

### What will Council do if you dump illegally?

Council officers will utilise the following options for tackling illegal dumping:

- Investigate and fine or prosecute illegal dumpers.
- Identify and record the location of illegal dumping “hot spots”.
- Regularly patrol “hot spots”.
- Install video surveillance cameras where suitable.

Call Lockyer Valley Regional Council on 1300 005 872 to report illegal dumping in your area.

See it!

Report it!

Stop it!

	*m <sup>3</sup>	\$127
Gas Cylinders, Waste Oil and/or Tyres – Not Permitted		
“Unit” Defined and includes “or part thereof”		
*applies if weighbridge not available		

From 1 July 2019, the Queensland Government introduced a waste levy to encourage resource recovery, reducing waste to landfill. An annual payment to Council will be provided to ensure there is no direct impact on the household.

The Queensland waste levy where applicable is applied in addition to the fees and charges listed above.
